

Miles Crossing Sanitary Sewer District Minutes

SEPTEMBER 1ST , 2026

Meeting called to order at 6:00 pm by Kevin Johnson

Present Board Members: Kevin Johnson, Mike Curtis, Trisha Dunn, Bruce Dehler

Absent: Lisa Moore

Also Present: Carl Gifford – Superintendent, Lisa Miller – Accounts Manager

District Business

- **Financials** Kevin read through financials. Trisha motioned to approve, Mike C. 2nd, unanimous.
- **Minutes** Trisha made motion to approve the minutes, Mike 2nd, unanimous.
- **Discussion on Bob Magie:** Continuing from August's meeting regarding food trucks. Carl updated the board about Food Trucks, the RVs on Bob Magie's property located at 34878 Hwy 101 Business. Carl read a letter from Bob Magie stating his intentions for the property. Letter will be attached as part of the minutes. Carl informed the board members that as is property would have three base rates fees with discounted SDC for each RV. The board members are highly concerned about his unauthorized dump station and are very concerned about where the gray water is going. Even though the dump station which was installed by Bob in 2024 when he had a water leak, it won't be advertised for public use, but the district has no way to control what and who is dumping into the system and the board suggested to permanently plumb into the existing infrastructure, lock the dump station, and Bob would need to purchase grinder pumps. Board wants the district to keep an eye on the telemetry for the dump station. In the meantime, the board directed Carl to contact Bob regarding these issues for the next meeting. Also to keep in contact with the county regarding this situation. At this moment, the board will wait to hear from Bob and Carl will have more information for next meeting.

Meeting Adjourn: 6:30
